Thank you Patti, i will discuss with Captain Oreb and request to leave the file under advisement in order to re-evaluate and further discuss the project with the applicants.

Hi Maria,

We saw this presentation a very long time ago. At the time, it seemed fairly simple, if not a bit out of character for the area. The Board voted approval of the CUB at that time. Since then, I understand that there have been changes in the intent and that many persons are concerned about the venue.

I would like to know what those concerns are. Is it necessary for us to reevaluate?

Thank you,

Patti
